## School Bond Election On Tues. April 4

IMPROVEMENT MUCH NEEDED

Doubling of Enrollment Makes Provision of More Room Absolute Necessity

Most important of all the elections to be held in Sierra Madre this year is the vote to be held next Tuesday, April 4, on the question of issuing \$20,000 bonds for enlargement of the school buildings.

During the past two years the enrollment of the public school has more than doubled. There can be no argument over the question of necessity for more room. The big question is the best way to provide for it.

Bonds are the only answer. It cannot be financed by means of direct taxation.

Then the only question involved is whether to spend a moderate amount on additions to the present plant and which will serve all needs until some of the other bond burdens of the city are reduced further, or to issue a very large amount for the construction of a complete modern plant such as the community naturally hopes to have at some future time.

After canvassing all possible solutions of the problem, the school trustees agreed unanimously on the plan of spending \$20,000 for additions to the present plant as most practical and satisfactory in the long run. Next Tuesday's election is the opportunity of the voters to say whether the plan shall be carried out.

### Haste Needed

One factor to be considered is the element of time.

The proposed plan is the only one which promises relief at the opening of school next year. The other plans which have been suggested would involve the acquisition of more land and the erection of a type of buildings requiring much more time in construction, as well as costing a great deal more money.

This would delay relief from the congested condition in the school for another year, whereas relief is needed at the earliest possible time.

### RECITAL BY PUPILS

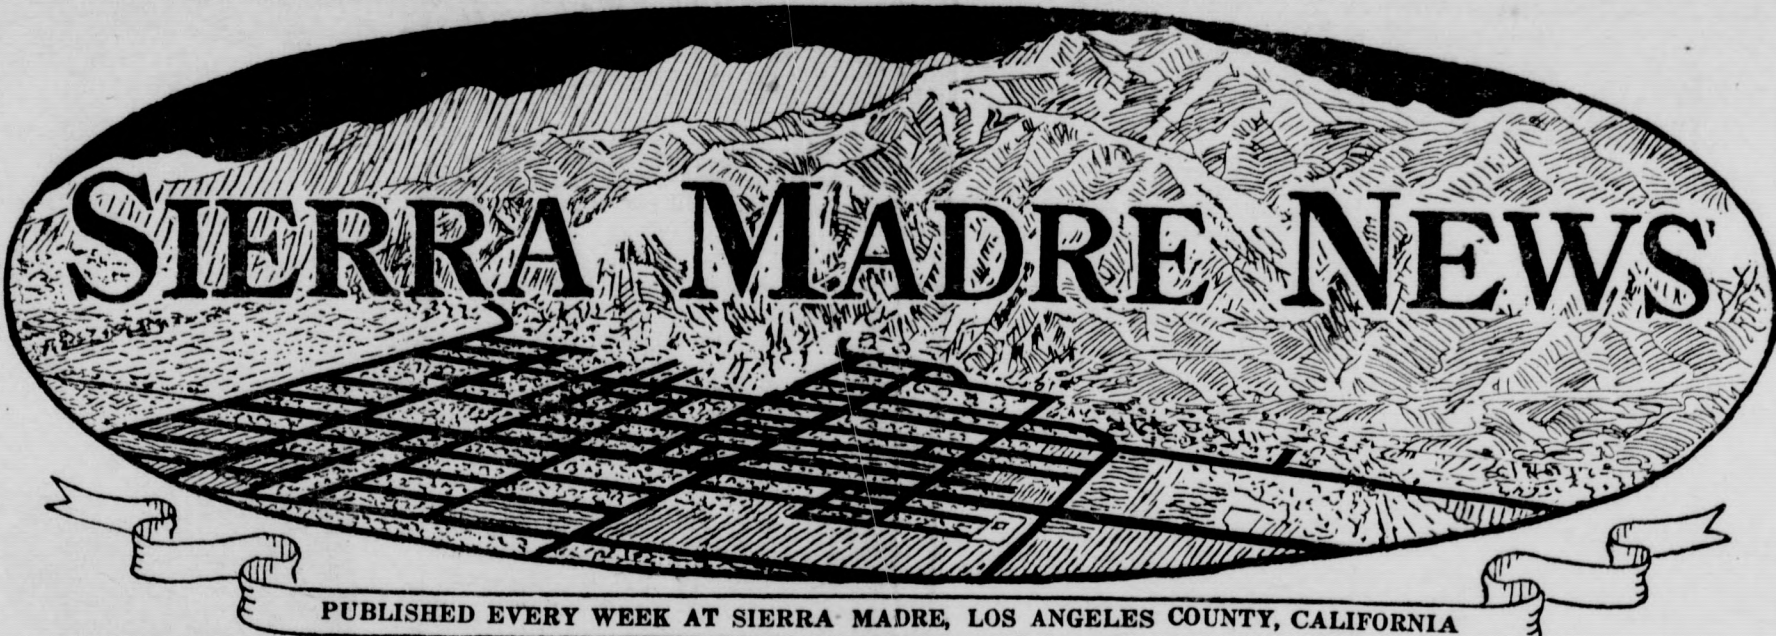

OF MRS. DEIST

Piano pupils of Mrs. Cecil M. Deist gave a recital at the home of Mrs. N. W. Tarr, 274 W. Montecito, last Saturday afternoon. The program included numbers by Ruth Jacobson, Margaret Turner and Bernita Doran of Pasadena, and Bettie and Lallah Berkeley, Catherine Brauhardt, Mary Shapiro, Esther Silberman, and Dan-son and Raymond Tarr of Sierra Madre.

In addition to the individual numbers, examples of the class work in harmony were given. Following the program the company were entertained with a number of selections from the Tarrs' radio phone equipment.

### BABIES CRY FOR 'EM

"Vamp-Darn-Its" in the Chamber of Commerce window have been attracting the attention of people of all ages this week. Mrs. Hawhurst's invention gets the eye of the practical housewife and also attracts the novelty seeker, but most vociferous are the little kiddies whose maternal instincts are stirred by what appear to them to be mere cunning dolls in need of mothering. One Japanese lady could not coax her youngster away until she had come inside to inquire "how much cost doll?" and was informed that Woodson Jones had the exclusive sale of them in Sierra Madre.

## Many Pilgrims Come to Shrine Of Saint Rita

SOCIETY IS GROWING RAPIDLY

Lenten Observance at St. Rita's on Sunday Attended by 1500 Visitors

In spite of cold and rather threatening weather on Sunday, the annual Lenten pilgrimage to the shrine of St. Rita was attended by 1500 visitors. The two masses held in the morning were unusually well attended. But the largest crowd came for the special afternoon service. Extra car service on the Pacific Electric brought hundreds, and many hundreds more came by auto.

Rev. Father Woodcutter was assisted in conducting the services by Father Oscar Viau, retired, who is residing in Sierra Madre at present.

### Society Growing

Counting the new members enrolled in St. Rita's society on Sunday, the membership has reached 2,000. They are scattered all over the United States, Canada and Europe.

Of course most of the visitors were anxious to view the progress of the work on the new shrine on North Baldwin. They found the forms in place for the concrete foundation. Concrete work has since started and progress is rapid.

Enthusiastic comments were heard among the visitors regarding the charming situation of Sierra Madre. Their reports help to carry the fame of the place far and wide.

### CHEVROLET AGENCY IN CENTRAL GARAGE

With the opening of his new Central Garage, Joe Belohlavek expects to pay more attention to the Chevrolet Agency, which he holds in connection with Hugh Marshall of Monrovia. A beautiful sedan was on display on the night of the Firemen's ball and the fine display room will afford opportunity for keeping the different models before the public from time to time. Mr. Belohlavek's agency provides the satisfaction of local service by the seller of the car, something worth considering as compared with the necessity of going to some distant agency when the new car needs attention.

### LIGHTING PROJECT NEARLY COMPLETE

The ornamental street lighting project, which is being promoted by the Chamber of Commerce, is soon to be completed, according to G. I. Farman, chairman of the committee. Mr. Farman, H. E. Allen and J. N. Hawks have been working steadily for the last two weeks on the proposed extension of street lighting from Baldwin avenue to Auburn avenue and all but one of the property holders have agreed to stand their pro rata share of the expense. It is the plan of the committee to complete the detail work in the next few days and to begin active construction inside of two weeks.

Since the work of extending the lights along Central avenue began, requests for extensions in other parts of the city have been received by the Chamber of Commerce. An extension along Baldwin from the present lights to Montecito is being considered and an extension along South Baldwin may be taken up later.

Mr. and Mrs. E. A. Wise of Chicago called last week on W. O. and George B. Morgridge, renewing friendships of boyhood days in Wilton, Iowa. Mr. and Mrs. Wise are spending the winter in Long Beach.

## School Election This Afternoon

Spirited Contest Develops Over Choice of School Board Member

Keen rivalry has developed between the prospective supporters of Dean William Carson Shaw and Thomas Hemler, candidates for the office of school trustee. The election is in progress this (Friday) afternoon at the school house, the polls being open from 1:30 to 5:30 p. m.

What promised to be the usual quiet and uninteresting school election has turned out to be far from such. The fact that Mr. Henderson's name was announced too late to be printed on the official ballot has spurred his friends to redoubled efforts in his behalf. It will be necessary to write his name on the ballot in order to vote for him. The name of Dean Shaw was the only one announced in time to be printed on the official ballot. To vote for him only a cross with the rubber stamp is necessary.

### CHILDREN'S SPECIALTY SHOP WILL OPEN

S. Shtamer Will Put in Stock of Wearing Apparel for Infants and Children

S. Shtamer is preparing to open a fine specialty shop in the new Kersting block with a large line of infants' and children's wear. Mr. Shtamer is a recent arrival from Philadelphia, where he conducted similar establishments on a much larger scale for more than ten years. He has brought his fixtures and stock directly from the east.

Having much more merchandise than the store room will permit to be displayed to advantage, Mr. Shtamer says that he will open with a big sale, offering goods below manufacturer's prices. His announcement may be found on another page of the News.

Having been advised to seek a milder climate than that of Philadelphia on account of his wife's health, Mr. Shtamer chose Sierra Madre after considering a number of locations. He has rented the Steinberger house at 366 W. Central and will move in at once.

### WATER POWER ACT TOPIC AT LUNCHEON

Another of the bi-weekly luncheons which have proven so popular with the members and friends of the Chamber of Commerce will be held at the Woman's club house next Tuesday noon. Among other things to be brought before the meeting is the state water power amendment, which will be discussed by Dean Carson Shaw, at the request of the directors of the Associated Chambers of Commerce of the San Gabriel Valley.

The Chamber of Commerce luncheons have proven very popular as a place to exchange ideas and to discuss problems coming up in the community life of Sierra Madre. The attendance has increased steadily and what was started as an experiment, will probably become a fixed custom if the interest keeps up.

## Venture Inn New Tea Room

Charming Establishment to Be Opened by Mr. and Mrs. Linscott

Affording accommodations for which there has long been a real demand in Sierra Madre, The Venture Inn will be opened on Monday, April 10, in the new brick building at 66 West Central. Mr. and Mrs. Francis Gray Linscott of 180 N. Adams are the proprietors.

Mr. Linscott has been employed by a large oil corporation in Los Angeles for some years past, and when the general offices were removed to New York he looked about for another occupation rather than leave Sierra Madre. Having been in close association with the proprietors of the well known Assembly Tea Rooms in Los Angeles and Hollywood, he and his wife decided a place of similar character would meet with the approval and support of Sierra Madre residents and visitors. The Venture Inn is the result.

Luncheon, afternoon tea and dinners will be served at The Venture Inn. Special attention will be given to groups and organization affairs.

There are a few places scattered over the map of Los Angeles county with a reputation for service which draws patrons for many miles. Auto parties plan their itinerary with them in view. With such an institution in Sierra Madre, the benefits will be much wider than the simple result of a prosperous individual business.

### COLLEGE CHOIR SINGS "SEVEN LAST WORDS"

As a special Lenten service among those which are held each week at Pomona College, "The Seven Last Words of Christ" by Dubois will be rendered on Thursday, April 6, at 4:30 p. m. This Lenten program, which is repeated from last year, will be presented by a student vested choir of over 100 voices, accompanied by the great Moeller organ in the Bridges Hall of Music.

The choir is under the direction of Prof. Ralph H. Lyman, director of the Department of Music. The soloists are: Alice Wellman, soprano; Paul Russell, tenor; Howard Pattee, baritone; Prof. Walter E. Hartley will serve as organist; Miss Bertha Hart, pianist; and Arthur Hitchcock at the Tympani. It is anticipated that President Blaisdell will read the accompanying words of scripture.

Lovers of sacred song and friends of the college will find this an attractive occasion for visiting the institution.

The wedding of Mrs. Nellie Wilson and Mr. Jack Rower took place in Los Angeles Wednesday last week, and they have since been receiving the warm congratulations of their friends, many of whom were taken by surprise. They are now cosily domiciled in Mrs. Rower's house at 26 W. Alegria. The groom is the junior partner in the firm of Hildebrandt & Rower (Sierra Madre Furniture Co.) and the bride is a cousin of Mrs. Hildebrandt. The wedding makes the firm something of a family affair.

Born to Dr. and Mrs. E. L. Jackson, on March 13, a son.

### CROWD EXPECTED AT ANNUAL BALL

Masonic Lodge Affair to Be Held in Club House Saturday Evening

Preparations are complete for the annual ball of Sierra Madre Lodge No. 408, F. & A. M., to be held in the Woman's club house Saturday evening. The number of acceptances received gives assurance of a large attendance.

Installation of the radio receiving apparatus for the hour's concert and dance music has been completed by J. J. Dunn of Pasadena, whose services were secured for the occasion by Donald Tarr. This is a novel feature which all will enjoy.

Following the concert, Fletcher's new orchestra will supply music the rest of the evening. Cards will be in charge of S. C. Pascoe and H. T. Bassett.

All Masons and members of the Order of Eastern Star, whether members in Sierra Madre or elsewhere, are invited to attend and bring such guests as they desire. The following past masters and their wives will act as patrons and patronesses: Mr. and Mrs. W. J. Lawless, Mr. and Mrs. C. J. Pegler, Mr. and Mrs. J. Milton Steinberger, Mr. and Mrs. J. D. MacKerras, Dr. and Mrs. R. H. MacKerras. In addition, Fred Vannier, patron of the Eastern Star, and the master of the lodge, C. W. Jones, and Mrs. Jones, together with subordinate officers and their wives, will serve.

### WILLIAMS-HILL

The wedding of Miss Helen Williams to Mr. Victor Hill took place last Saturday at noon in the Church of the Ascension. The ceremony was performed by the Rev. Dr. George H. Cornell, assisted by Dean Shaw, in the presence of members of the immediate families. The wedding unites two very popular young people, graduates of Pasadena High school in the same class and prominent in a variety of activities.

The bride is the daughter of Mr. and Mrs. J. G. Williams. For some time she has held a responsible position with the Pacific Mutual Insurance Co., Los Angeles. She is well known for her dramatic ability, having appeared in many amateur performances here and in Los Angeles.

The groom is the son of Mr. and Mrs. Howard Hill. Since his discharge from the aviation service he has been employed in the office of the News. He is now in charge of the mechanical department and is secretary of the company.

After returning from a honeymoon, which they are spending in the mountains, Mr. and Mrs. Hill will occupy a bungalow at 58 S. Hermosa, where they will be at home to their friends after April 15.

### SCHOOL WINS AGAIN

Sierra Madre is again in second place in the grammar school baseball league. Two more victories have been scored, Duarte being defeated on their home ground 7 to 3 and Wild Rose school of Monrovia came to Sierra Madre and lost by a 10 to 3 score. The Sierra Madre girls also defeated the Arcadia girls 15 to 3.

## Chorus Begins Part Singing

Well Balanced Chorus Developed by Director Kirchhofer at the Sing

Sierra Madre will soon have a finished community chorus, if the enthusiasm which has been shown for the last two months continues. Every Monday night practise shows marked advances in the quality of music produced by the singers and the Sierra Madre Community Chorus will soon compare favorably with any of the larger choruses in Southern California, though most of them are much older.

The local chorus now has four well balanced parts and has been doing part singing for several weeks. The tenor section which was light in the beginning has been built up equal to any of the other three parts. Much of the credit for building up both the bass and tenor parts is due to Fred Griebenow, who has given a great deal of his time toward the work of interesting men in the chorus.

Hugo Kirchhofer, director of the chorus, is holding special sessions from 7 to 8 o'clock on Monday nights for the purpose of hearing voices and prescribing exercises which will tend to develop each individual voice.

### M'ELROY BROTHERS OPEN NEW BAKERY

Modern Equipment Going into New Store of Former Pasadena Men

"Central Bakery" is to be the name of a new bakery to be opened next Monday at 10 West Central avenue. This location adjoining the Belohlavek Garage is the largest room in the new Kersting building.

Messrs. E. L. and E. J. McElroy, formerly of Pasadena, are the proprietors. The latter is an experienced baker with a number of years experience with the Crown City bakery. E. L. McElroy is both baker and ice cream maker, having had experience with the well known Elite caterers. He is married and will bring his family to Sierra Madre just as soon as he can find suitable quarters.

This enterprising firm will carry a full line of bakery goods which they expect to sell on merit. They have been installing a complete outfit of modern bakery equipment this week in the rear room.

The front of the store has been divided off to make a very attractive sales room for the bakery goods and a strong bid will be made for the contract of supplying Sierra Madre with its "daily bread."

### ASSOCIATED C. OF C. TO MEET TUESDAY

LaVerne will be host to the monthly dinner of the Associated Chambers of Commerce next Tuesday evening, April 4. Sierra Madre's allotted ten tickets, and reservations must be made with Secretary DeWitt Jones of the Chamber of Commerce not later than Monday morning, when all unsold tickets must be returned. Buren R. Fitts will speak on soldier bonus legislation, and Sheriff Traeger will also be present.

## BIDS ASKED ON CLUB BUILDING

Contractors Asked to Figure on Cost of Completing Firemen's Structure

Contractors are now given the opportunity to figure on the completion of the Firemen's Club building, on which work has been at a standstill since December. Bids must be in by April 15. Plans and specifications are in the hands of Frank Hildebrandt.

President Topping says plans have been worked out for the financing of the project to completion. The exact details cannot be announced until bids are received so the officers of the club may know just how much it is necessary to provide.

At the meeting of the Firemen's club Wednesday evening it was voted that the signing of a bond be authorized to protect the city in the contract to house the fire apparatus. The lot was sold to the club in consideration of the ten-year contract. In view of the contract feature, it was impossible to get a clear title to the lot so a mortgage could be placed on the building. With the city protected by a bond, this obstacle will be overcome and the mortgage plan of financing in part will be available.

## ADS AS INTERESTING AS NEWS COLUMNS

"You have been fixing up some dandy ads for us," said Frank Hildebrandt of the Sierra Madre Furniture company, when the News man called for copy this week. "We realize that is the way to keep business coming and appreciate the service you are giving us. The News certainly looks good these days."

Frank has the right idea about keeping fresh, seasonable copy before the newspaper readers, with real information, prices and other details people want to know. It is a fact that the live ads are read with as much interest as the news columns.

## SCOUT OFFICIAL STUDIES THIS FIELD

Tallman H. Trask, a district officer of the Boy Scouts of America, with headquarters in Pasadena, visited Sierra Madre recently. He is making a survey of the situation in his district to see to what extent the formation of further scout troops is advisable, and to ascertain where there are fields of activity for present scout organizations.

### THIS BUSY BURG

Bill before congress would change the calendar to make thirteen months in the year. Some one page Congressman Lineberger and tell him to vote for it, after amending it to provide another day in each week and an additional week in each month. That's the only way Sierra Madre people can keep up with all the entertainments, organization meetings, social affairs, committee sessions, etc., not to mention family requirements. This is written, however, not to influence our congressman but for the benefit of people who have somehow acquired the idea that life in a small town is dull for the lack of something to do.

### YOU SHOULD ADVERTISE

There is only one kind of business man who should not advertise. Only one kind who should not tell the community of his plans, his policy, and his wares. The only kind of business man who should not advertise is the one who hasn't the goods to deliver either in quantity or quality.

Few men do not want their business to grow into something worth while. These are the men who should not advertise.

But the man who has a sincere desire to develop his business, who earnestly seeks to serve the public to the best of his ability should advertise. To such a man advertising spells success in large letters. He should advertise every day; telling the whole reading public what he has to offer and just how he proposes to offer it.

### : BY THE WAY :

Good will bought in business merely by being a "good fellow" does not stay bought. But good will won by service is lasting.

Now that the senate has ratified that treaty, what arouses the country's curiosity is why all that time was wasted on a debate which did not influence anybody anyway.

The Whittier News remarks that "one of the few sure things in life is that taxes will eventually reach the ultimate consumer." Trouble is, there are so many ultimate consumers that it takes a lot of taxes to go around.

When you get mixed up in a scandal do you prefer to have it peddled with a spiteful voice or in a silky, bland voice? Neither, did you say? Good. And see if you can be as silent the next time somebody spills some "dirt" into your own ear.

They say the people of Alabama have elected Henry Ford manager of that Muscle Shoals nitrate plant. But judging by the quantity of propaganda flooding the mails, the fertilizer trust is willing to spend as much money as Newberry's friends did to defeat Henry. He should worry!

**NEW BOOK STOCK HAS MOVED RAPIDLY**

Last week Woodson Jones advertised a bunch of popular novels at 99c a volume, the books being the regular \$1.75 and \$2.00 volumes. They moved so fast he had to re-order and replenish his stock with additional titles. Thus encouraged, he added a large selection of children's story and picture books at popular prices, making a book counter full of attractive gifts for young and old.

**INFANTS BOYS GIRLS**

After conducting a large business in infants' and children's wear in Philadelphia for more than ten years, I was advised to seek a mild climate for the benefit of my wife's health.

After considering many locations, I chose Sierra Madre and have rented a room in the new Kersting block, where I am preparing to open for business soon.

My stock of goods is actually too large for the room, as I have been conducting a much larger establishment. In order to reduce my stock I will make tremendous bargain offerings in all lines. Prices will be lower than the manufacturers offer today.

"Satisfy the customer" has always been my policy. I stand back of every purchase. Every article is absolutely guaranteed. Goods not satisfactory may be returned and no questions asked.

It is my intention to stay in Sierra Madre and give the people the kind of store they want. After reducing my present stock I shall carry merchandise which I find will meet the local demand.

Do not forget that our grand opening will be worth waiting for. If you have infants, or children up to 16 years, you cannot afford to miss the bargains to be offered.

### Club Members At Federation

Santa Monica Convention Draws  
Large Delegation from  
Sierra Madre

Center of interest for Sierra Madre Woman's Club activities was transferred this week to Santa Monica, where the district Federation convention is in session. The local club is represented by the following who are attending the entire session: Mesdames J. M. Steinberger, M. D. Welscher, F. J. Hart, W. S. Andrews, J. W. Jamison, W. J. Lawless, Palmer Rhodes and J. A. Osgood.

Fame of the Community Sing fostered by the club had spread so that Sierra Madre was invited to send a delegation on Wednesday to render a number of songs under the direction of Mr. Kirchhofer. About thirty members went to the convention for that occasion. Some remained to attend the convention banquet in the evening.

Sierra Madre was well represented by an account of the year's work prepared by Mrs. Rhodes, press chairman, and published on the first page of the Santa Monica Outlook. Pictures of the club house were also displayed in an exhibition of club home pictures for the benefit of the clubs which contemplate building.

## Club Social

The regular club social night for April will be held next Thursday, April 6th, and will be in charge of a committee headed by Mrs. Roland Adams.

## Dancing Class

It is reported that increased attendance will be necessary to assure its continuance. The instruction by Prof. and Mrs. Swartout of Pasadena is very highly commended.

## FOR BRIDE AND GROOM

In honor of Miss Lucile Wallace and Mr. Herbert Popenoe, a delightful reception was held on Saturday evening at the home of Mrs. Harry Bourne, corner of Grand View and Auburn.

The hostesses were Mrs. Bourne, Mrs. Charles Brooks and Miss Mary Ferguson. More than forty guests were present to honor the young couple whose wedding was to take place the following Tuesday. They were presented with a beautiful silver tea set by the guests. The house was charmingly decorated with poppies and daffodils, and delicious refreshments were served.

SO. CO. GAS COMPANY  
MAINTAINS SERVICE

The Southern Counties Gas company rendered good service during the 1921-1922 winter season now coming to a close and maintained an adequate supply of gas during the year. This condition prevailed generally over the company's system with the exception of shortages at Santa Monica Bay and in certain small areas of the territory served. A new 2,000,000 cubic foot gas holder, designed to eliminate the Santa Monica shortages, is now under construction while reinforcements to the parts of the distribution system which were weak during the coldest days are to be made. Generally speaking, however, Southern Counties Gas company consumers enjoyed first class service.

The above statement was made by Harry Masser, Gas Supervisor of the State Railroad Commission, at the recent hearing before Commissioners Brundage and Benedict in Los Angeles where the matter of service conditions of the three Southern California Gas companies were comprehensively studied and investigated.

Because of the good service rendered by the Southern Counties Gas company which serves gas locally, and because this company plans to expend \$1,500,000 on its 1922 capital budget program, the belief was expressed at the hearing that the company's betterments would adequately take care of any growth on the system, thereby eliminating the possibility of a gas shortage in any of the cities served by the Southern Counties company.

ROAD AGITATION AT  
REGIONAL CONFERENCE

W. S. Andrews and Robert Mitchell will go to Long Beach Saturday to represent the Sierra Madre Chamber of Commerce at the Regional Planning Conference. The proposed road which will connect Central avenue, Sierra Madre, with East Orange Grove avenue, Pasadena, is to be brought before the conference by Mr. Harry Hall of Pasadena, who is representing this section at the conference. Much progress has been made toward completing the plans for this road and it is believed that it will be only a comparatively short time until the proposed road is a reality.

Scott Garland of Denver is visiting his old friend Grover C. Cavitt of 53 North Lima street.
